

Finds Recording Sheet

Use this form to record your objects. Fill in as much as you can.

PASSt Explorer's name: Frank Basford
Class/year/age: Class 1
Where was your artefact found?
Town or village: Newchurch
County: Isle of Wight
If you know where it was on a map, you can add a grid reference: SZ5687
When was it found? Saturday 1st January 2005
How was it found? (e.g. gardening, walking) Metal detecting
What do you think the object is? A figurine of a dog
What was it used for? It might have been a gift to give to the Gods.
Write down what the object looks like: A dog sitting on its haunches with its forepaws together at its front. It is looking upwards. It has a closed mouth. The dog's tail is curled around to the left, close to the body. It looks like an Irish Wolfhound with less hair. The dog is sitting on a tiny rectangle (this is a plinth).
Does it have any marks or patterns on it? What do they look like? The dog is wearing a collar. There are some decorative scratches on the dog's chest, body, hip, right shoulder, and each cheek. The scratches are supposed to be hair.
Does it have any writing on it? What does it say?

What is it made from? (e.g. pottery, stone, bone, glass, metal) Copper-alloy metal
What colour is it? Green
When was it made? Is it Prehistoric <input type="checkbox"/> Bronze Age <input type="checkbox"/> Iron Age <input type="checkbox"/> Roman <input checked="" type="checkbox"/> Early-Medieval <input type="checkbox"/> Medieval <input type="checkbox"/> Post-Medieval <input type="checkbox"/> Modern <input type="checkbox"/> Don't know <input type="checkbox"/>
Is it whole or is there any damage? The tip of the right ear has broken off.
Do you think it has been cleaned? Yes

Measurements:
